Young Graduate 2019 - start February, August, September, October | TriFinance

Ready to become a TypicalTriFinance Consultant?

Function

TriFinance offers you the best career guidance you could hope for, by acquiring experience in all sorts of companies through projects in different finance functions. You will work together with inspiring people and gain the confidence to launch yourself in your career. Also, you'll get the freedom and space to take your career in your own hands. TriFinance supports you in doing this, by providing a platform to further define your career path.

Your Profile

You have a master's or bachelor's degree and are looking for a contemporary and motivating environment with an open and trustful corporate culture. You are interested in finance, like to take the initiative, and want to learn by practicing in different working environments. Looking for new challenges and opportunities is your second nature and you are not afraid of 'getting your hands dirty' while working on both operational and advisory projects...

Organisation

"From motivation to value creation". At TriFinance, people come first. Our strategy and organization are built to support contemporary professionals in their career development and personal growth. Because we believe that motivated people deliver better and faster results for our customers. We carefully select people with a self-starting MeInc® attitude. Once on board, we offer them trust and space to develop themselves, in an environment where teamwork is highly valued. We have a flat organization model, with small, entrepreneurial business units in the center of the action.

Offer

When joining TriFinance, you will discover a dynamic and inspiring environment filled with self-development opportunities and challenging assignments. We act as your career accelerator and destination finder. How will we do this?

- By on-the-job **mentoring** to assist you on your project
- By a personal experienced **coach** to guide your career
- By an individual **training** plan to develop your skills

Furthermore, you will work with enthusiastic and open-minded colleagues in a knowledge sharing environment and we offer you a flexible remuneration package (company car, pension plan, and hospitalisation insurance included)

Ready for the start of your career? Apply via filling in this [application form!](#)
