

# 7 reasons to join us!

## GEM OF A CITY

Diverse. Hip. Historic. Easy on the eye. Student-friendly. Well-connected. We could go on and on about Antwerp.

## GET CAREER READY

Get actual work experience. Because that's what counts in the workplace. Use your KdG internship to ease into life on the job. Or opt for a master's degree.

## VALUE

Universities like ours get public funding because society needs graduates with professional intellect. So you, and your pocket benefit.

## RELEVANCE

Degrees designed for the job market and shaped by industry experts, so you stay on trend.

## KNOW-HOW IS EVERYTHING

Studied the theory? Now put it into practice. It's the KdG way. Case studies, workshops, labs, projects for real clients.

## THE RIGHT SUPPORT

We support you while you're away from home. Feedback and personal coaching for your studies. Wellbeing support should you need it.

## STAY AND WORK

From outside the EEA? Apply to stay in Belgium for a year to look for a job after graduating.
