STUDENT HOT SPOT

A super-diverse, student-friendly city. Hip. Historic. Easy on the eye. Antwerp is at the heart of Europe. A welcoming home from home.

TOP VALUE

Universities of Applied Sciences & Arts get public funding because society needs graduates with professional skills and intellect. Top quality education. Affordable prices. Excellent career prospects.

THE RIGHT SUPPORT

Dedicated support while you're away from home. Regular feedback and personal coaching for your studies. Student welfare and happiness are our priority.

STAY AND WORK

From outside the EEA? You can apply to stay in perfectly placed, multinational Belgium for a year to find a job after graduating.

GET CAREER READY

Work experience that prepares you for your career. Use your KdG internship to ease into life on the job. Our graduates are in demand.

RELEVANT

Degrees designed for the job market by industry experts. We'll keep you tuned in to state-of-the-art developments.

LEARNING STYLE

Put the theory into practice. Teams, workshops, projects for real clients. Get coaching to help you take control. It's the KdG way.
